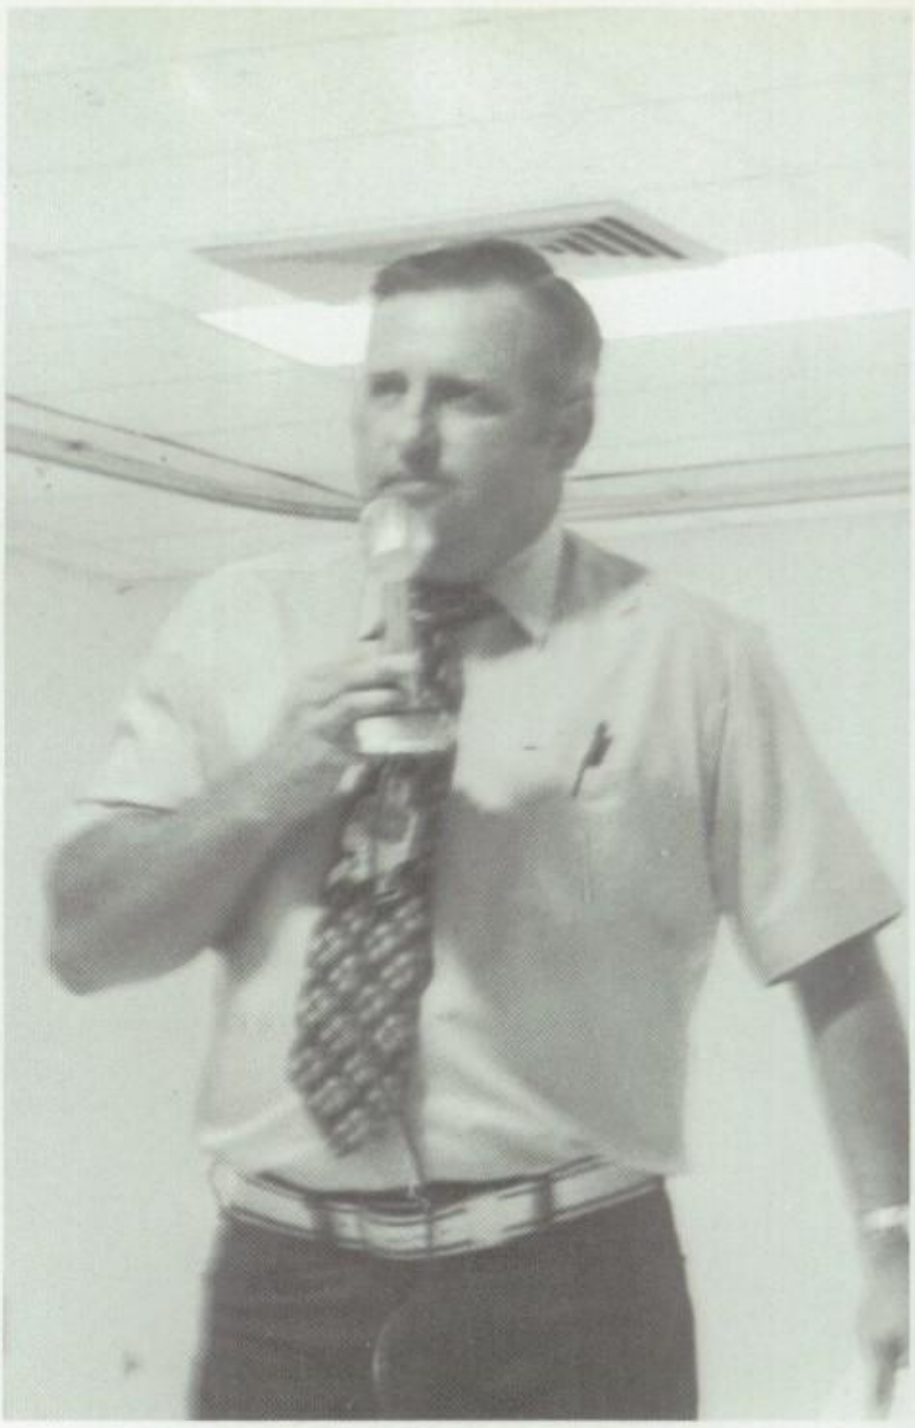
'76 FOOTBALL BEGINS WITH EAGLES



The 1975-76 football season finally got underway officially on September 5, 1975, which was to be the date of the first football game for the orange and white. After putting in hard work during spring training the Eagles thought they were ready. On September 5, excitement filled the halls of CHS as everyone looked forward to the opening game against Silver City. Walls were festooned with poster announcing the Eagle spirit and willingness to go all the way against the Colts. Later that afternoon an assembly took place in which all the birds gathered to cheer the mighty team to victory. Great speaker Ralph Reyes said the first words about the orange and white followed by Coach Dub White with the introducing of the 1975-76 varsity football team. During the assembly oranges were passed out to everyone, showing orange power and Eagle spirit. That night many fans assembled at the Old Canutillo grid iron to watch the might Eagle team play the

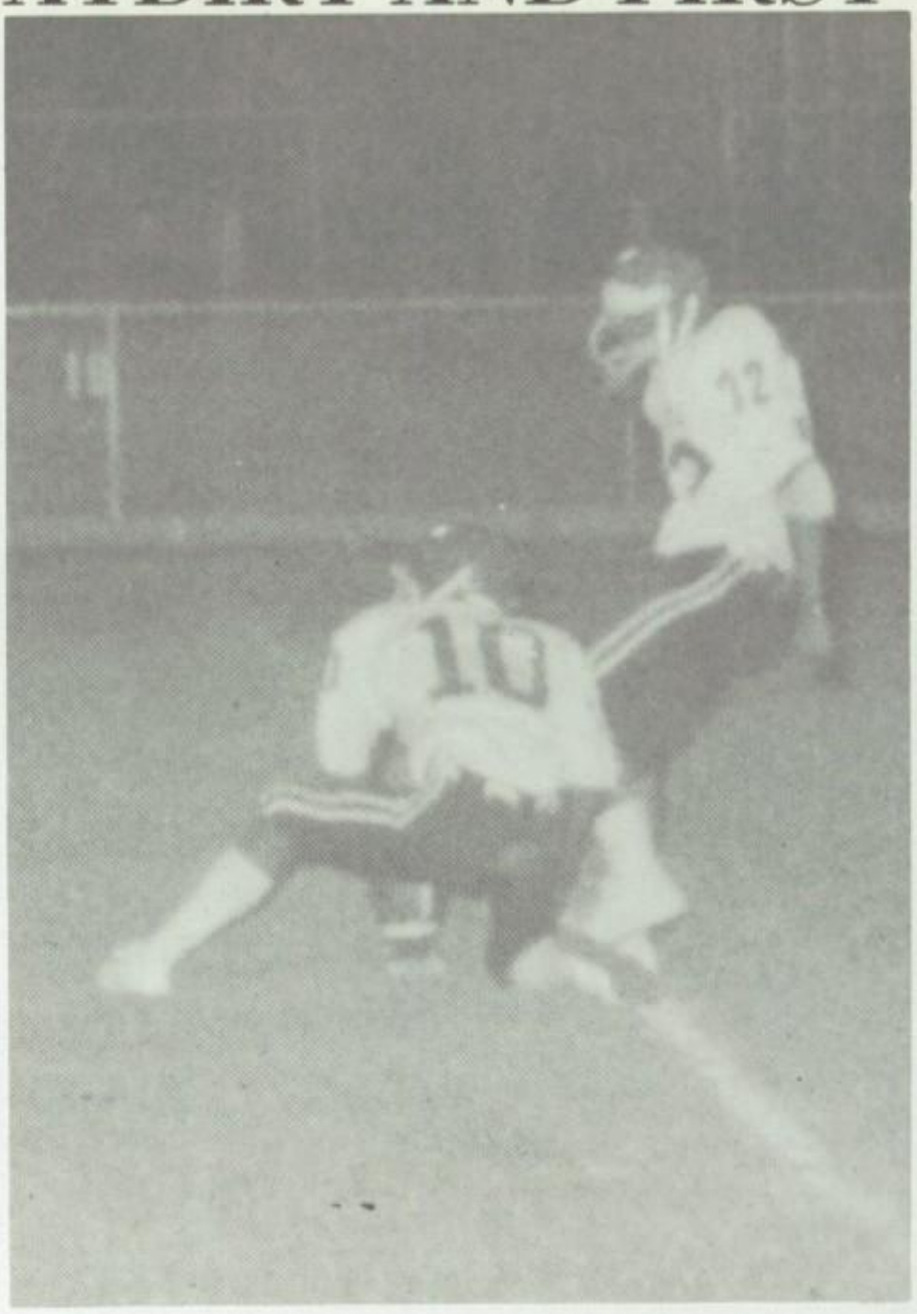
Silver City Colts the first of ten games to be played by Canutillo. First quarter of play ended with a scoreboard without numbers lit-up on it as both teams battled for the ball but with no success in racking up points. This situation was to change in the second quarter as Elco Ramos was on the receiving end of Gilbert Alcala's 25 yard aerial which hit paydirt and had the orangemen off and running to a six-nothing lead. Vicente Gomez added the initial PAT making the score 7-0 in favor of the Eagles with 7:20 left in the quarter. After the colts regained possession and were ready to mount a serious change the orange defense responded with an electrifying 55 yard interception return by none other than #10 Gilbert Alcala. Alcala stepped in front of the Maldonado aerial and picking it off, dazzled the crowd with his open field running. At the half the Eagles were comfortably ahead 12 to 0, much to the delight of the hometown crowd. After the half the Eagles kicked the ball to Silver City which was received by #22 Austin on the 48 yard line

EAGLES HIT PAYDIRT AND FIRST



which led him to scramble 52 yards for the first Colt score. The PAT failed. The Colts then marched from their own 30 to the Eagles 3 in 12 plays. Climaxed by Tolido's 3 yard plunge which made the score 13 to 12 still in our favor, then Silver City made the most crucial decision of the game which to go for 2 points instead of the PAT and it worked by Tolido's run. He handed the Colts a hard fought game from behind victory over the orange and white by a score of 14 to 13.

The Eagles dropped their record to 0-2 on September 12, by losing to a strong T or C squad by a 15-0 deficit here at Canutillo. The Eagles failed to score 2 times at the opening and closing moments of the game. T or C grabbed their scores when given the chances with 106 yards rushing, 63 yards passing, for a total offense of 169 yards with 11 first downs. Tigers total offense summed up to 245 yards; 219 rushing; 66 passing yard 14 first downs.

Canutillo dropped once again to a record of 0-3 on September 19 by

losing at Tularosa 51-0 as the Eagles couldn't get off the ground while Tularosa was in an uproar with yards on their total offense summing up to 526. Canutillo could not get much on offense or defense but grabbed 139 yards.

Eagles captured their first win of the season as they clawed the Ruidoso Warriors 19-0. First Quarter play saw no one score only the exchanging of the pigskin even though both teams came close. The first score came on an effective passing attack with 3:16 left in the second quarter. The PAT failed. The other 2 touchdowns came in the third quarter with 1:08 and :02 seconds left in the game of ground gains. Total offense for Canutillo was 393 with 319 in the air passed for 10 with a 163 total offense.

On October 3, Canutillo traveled to Lordsburg for another victory by a 46-0 margin. Scores came in the first quarter on an Alcala 10 yard run and a 2 PAT on an Alcala to teams connection. Second quarter score came on a 1 yard Wharton run. Two touchdowns

came on Wharton and Gomez runs of 45 and 4 yards. Fourth quarter play also saw 2 touchdowns on a Fortune 10 yard to 394 yards compared to Mavericks 40.

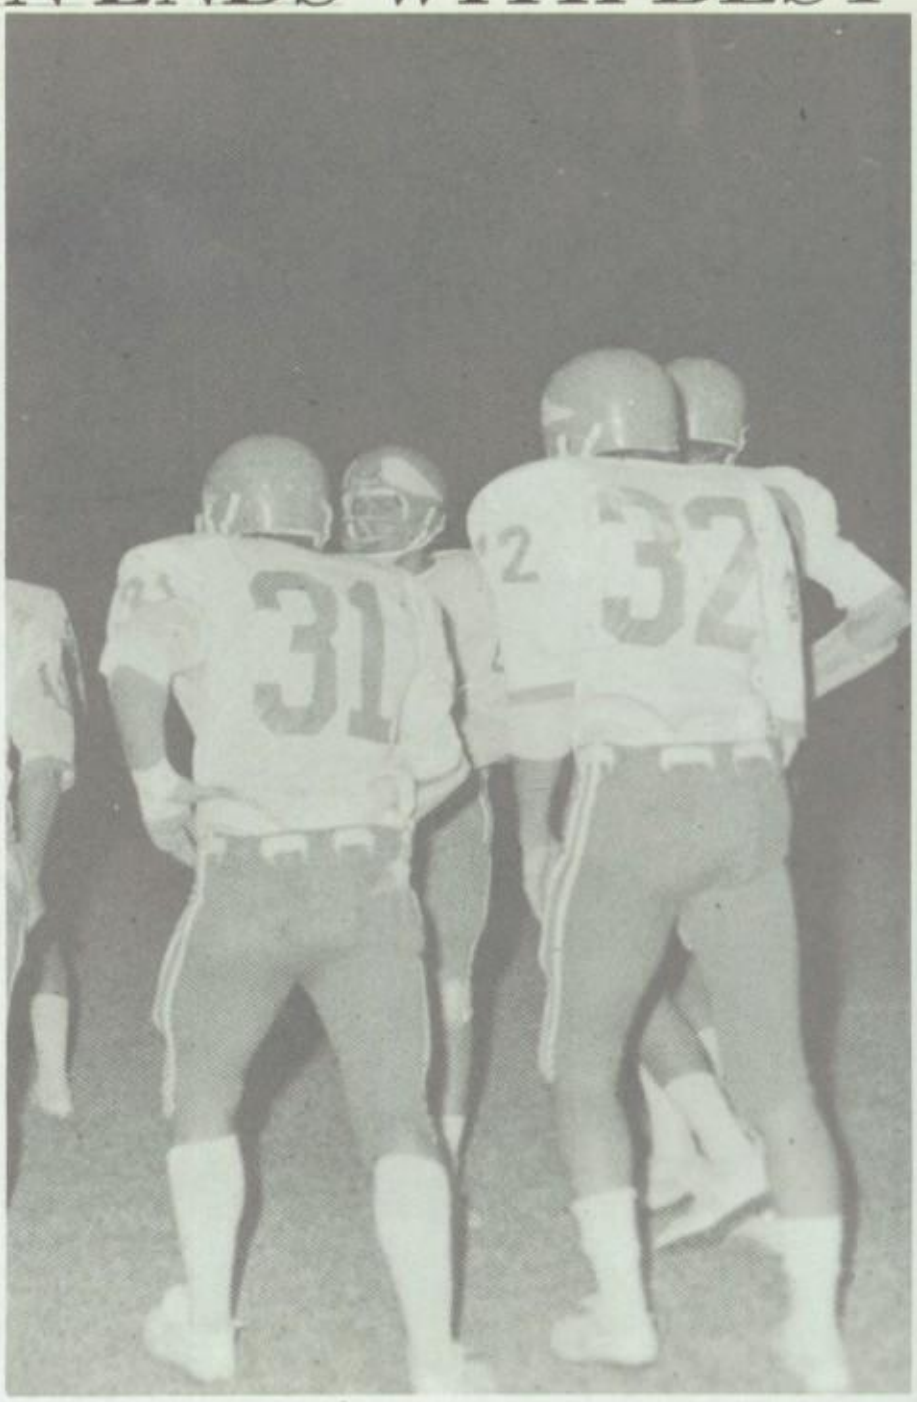
One of the most bizzare events in football occured when the orange and white journeyed to their neighbors den, that of the Gadsden Panthers ending in a 22-0 win for Canutillo showed balance in their offense as well as defense in a beautifully executed ball game which was in the Eagle lands all the way. The Eagle machine continued to roll as it consided its 3rd straight 300 plus yard game in clawing up 371 yards rushing, 107 net yards passing, and clicking 16. First downs in route to an amazing 378 yards total offense. Two touchdowns came on 50 and 10 yard runs by Rex Wharton and a third came on an endzone fumble recovery by Manuel Torres plus a 2 PAT by Alcala and Ramos connecting on the scoreboard. Canutillo rally tamed those Pussycats. Canutillo is thus the master of the area here in the upper valley.

WRATH AS PANTHERS LOSE BY 22

District play finally rolls around the corner and the Eagles are ready. The first of four district games to be played is now here and the Canutillo Eagles will go visit the imposter Van Horn Eagles. The first score of the game came with 8:04 left in the first quarter after marching 85 yards in 8 plays capped by an Alcala 10 yard run with PAT failing. Another score came on a 90 yard march in 12 plays with 11:49 left Alcala burst in on a 1 yard run with no PAT. The final score came on a 14 yard run by Rex Wharton with 2:48 left in the third quarter and no PAT. Van Horn could only score once in an 86 yard drive in 13 plays with 38 seconds left till half time with a good PAT. The final score was 18 to 7 with Canuta on top. Total yards for the Canutillo was 373 yards compared to Van Horn's 283 yards. The Canutillo Eagles proved to be just that Eagles, the real Eagles of this District. Their first district battle was a success against the fraud Van Horn Eagles.

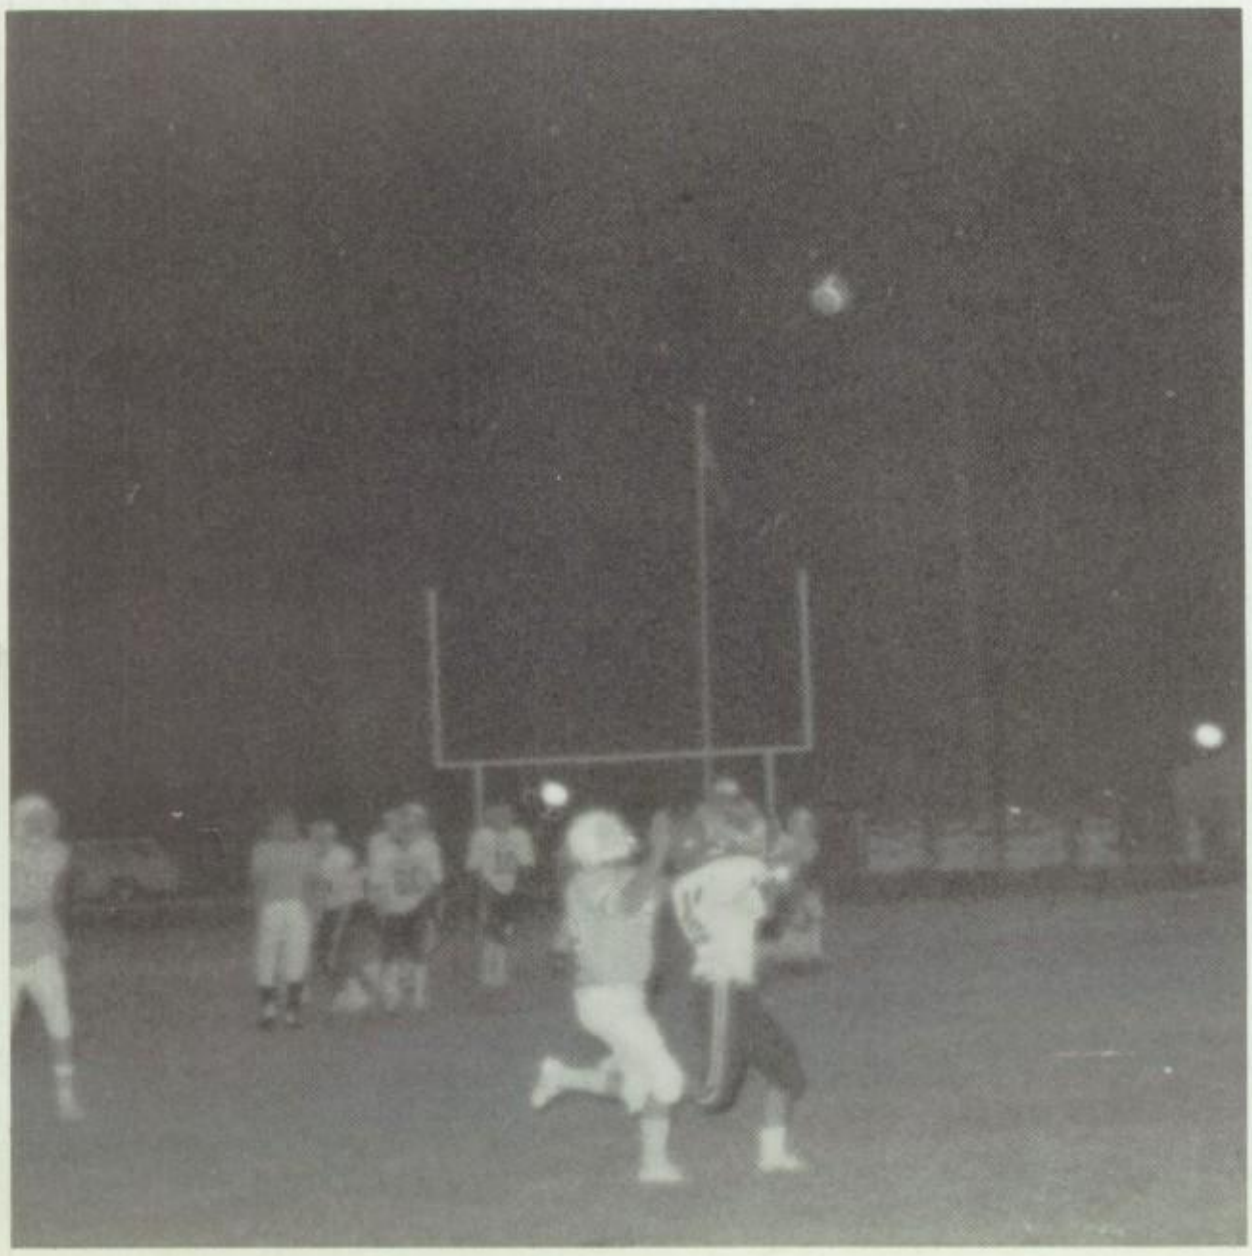
The second game of District play put Canutillo in the path of the District favored Alpine Bucks. The Eagles traveled to Alpine country to play the Bucks on October 24 which was to be as a great battle in the eyes of Eagles. Canutillo was stopped cold but Alpine was as hot as a summer day as they scored at least once every quarter as they ended up with 42 points and Canutillo only with a blunt. It was a hard blow for the orange and white but were compelled to try again. Alpine racked up 454 yards total offense most coming from the ground while Canutillo totaled only 139.

SEASON ENDS WITH BEST



Coming back from the blow of Alpine the Eagles went to Socorro for District game #3 and with much success came out on top, with a 27 to 12 victory. Canutillo scored once in the quarters number 1 and 4 but scored twice in the second quarter. All the touchdowns we scored on runs by the Eagles quarterback Gilbert Alcala. Orange and white total offense was 293 yards compiled from 147 yards rushing and 146 passing with 23 first downs Bulldog total offense came to 197 yards from which 142 came from running the rest from passing and 13 first downs.

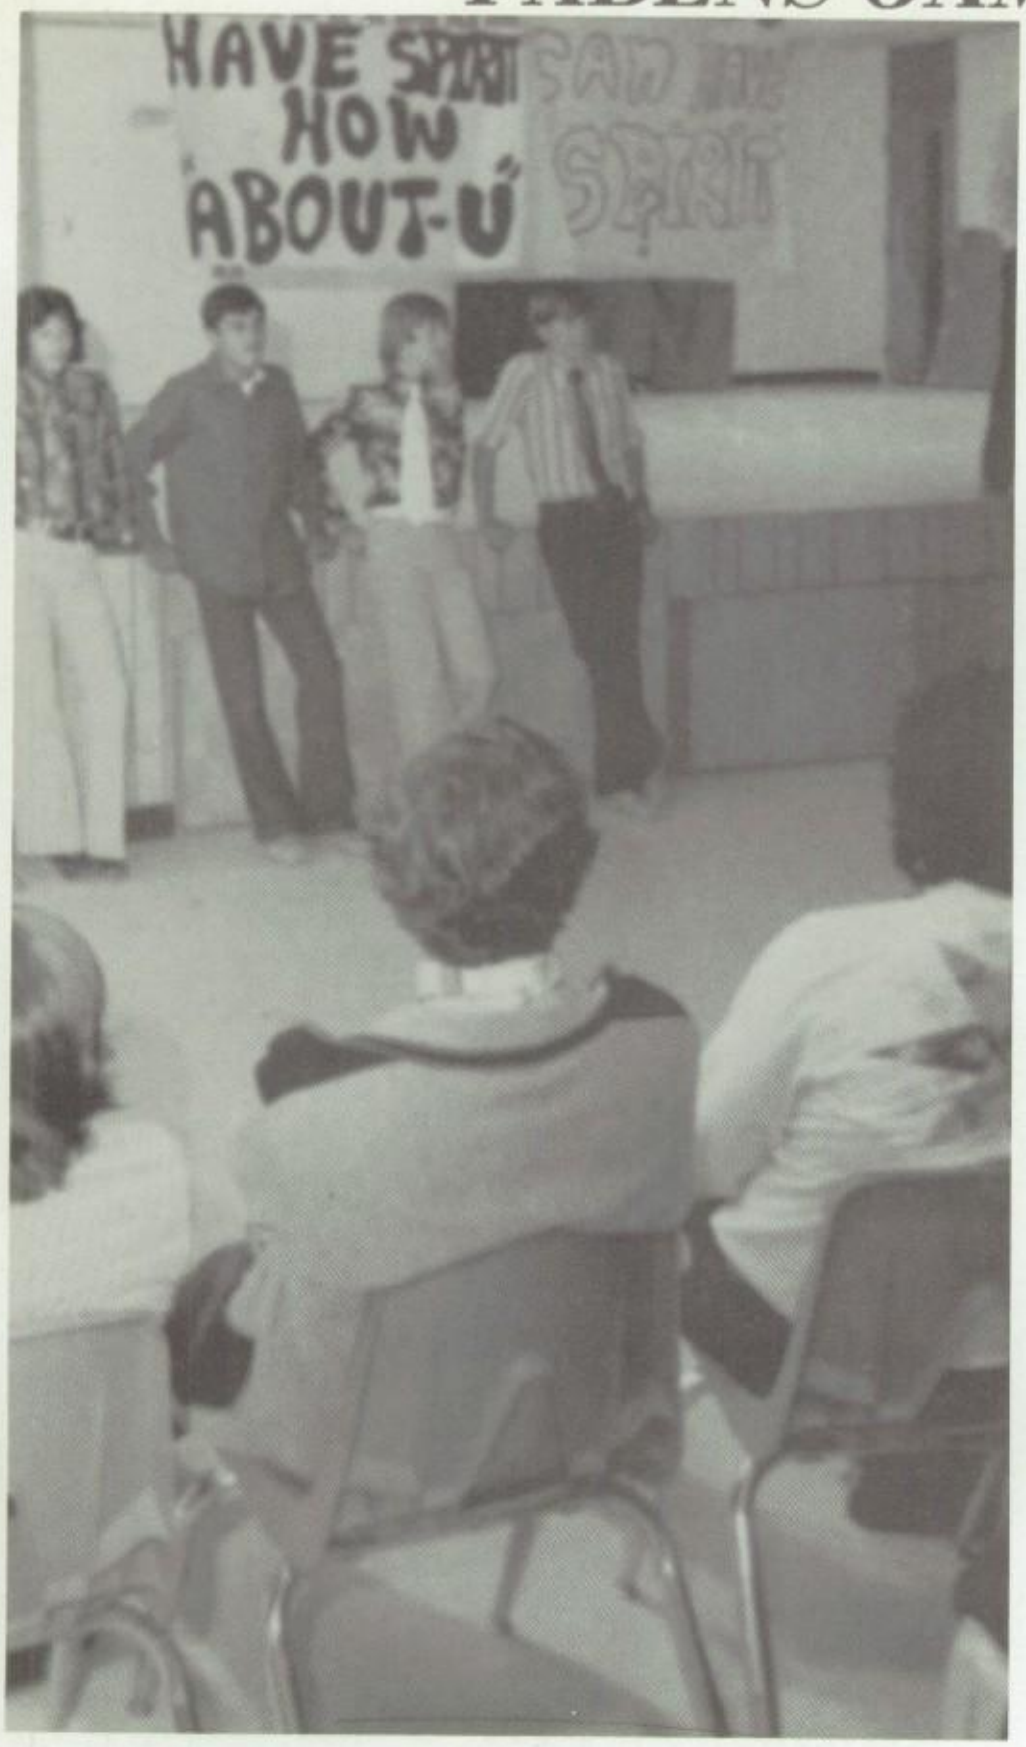
District competition was about to end when Canutillo was to meet Fabens here in Eagle land. The day was November 7, which will be remembered for a time to come the last football game of the 75-76 football team and they gave it their best efforts to pull through. The first half had both teams moving the ball with relative ease against each other but saw little points for their big efforts. Canutillo had a chance to score but were stopped on the 2 yard line. Fabens also had its problems when pushed for penalties and costly yards. With 1:44 remaining in the first quarter Vicente Gomez ran 5 yards for the T.D. The Eagles gambled on a try for 2 points on a



DISTRICT FINISH IN YEARS . . .

PAT but failed. Midway in the second quarter after exchanging ball with Canutillo the wildcats begun their drive which was to be their only scored of the game. It came on a 15 yard connection from #15 to #85. The PAT failed as the half began both by players and fans. Fabens was moving the ball effectively but the penalties terminated their drives. With 2 minutes left the Wildcats begun to throw the ball looking for a big play but were unsuccessful as Gilbert Alcala picked off a pass from #85 and returned it to the 45 yard line. Alcala on the next play handed off to Vicente Gomez who picked up 8 to the 47 yard line. On second down Alcala could find no one to throw to but on 3rd and two he connected to his favorite receiver Elco Ramos on their own 25 yard line, Vicente Gomez again got the ball for a short gain with only seconds left on the clock. Coach Dub White decided to try a 34 yard field goal so it was up to Vicente Gomez to hit the middle of the upright.

FABENS GAME CAUSES HEARTS



With 5 seconds left Vicente Gomez grasped some air and took a last look for the good aim and shot the pigskin with his foot letting it sail up land through the upright for three points and a victory over Fabens Wildcats which was good for second in District Varsity Football.

The 1975-76 football season not only involved the football team, coaches, student body, and Eagle fans in the success of the team but other background ingredients such as the C.H.S. Band with its fighting music during assemblies and half-time. The orange and white band led under the direction of the music maker Miss Nellie Panikvar with Bill Robinson and Lupe Carrasco acting as Drum Majors. Twirlers included Jill Tobin and Debie Gothard. At half-time everyone looked forward to the activities and music

sponsored by the Canutillo High School Band which played a big part in this year's football season and games.

Another asset to the football season was the spirit and cheers led by the cheerleaders in our games and assemblies. They went to sum-

mer camp to prepare themselves for the big 1975-76 sport season, and their new outfits were really "far out" from which, within came the football spirit and excitement. Seniors cheerleaders include Diana Alderete, and Lyyn McDaniel and there were five Juniors made up of Sylvia Hidalgo, Rosalia Madrid, Jackie Tinkle, Debie Gothard, and Besty Brickley whom all did a terrific job.

Football games wouldn't be as exciting and informative without commentator which was the one and only Mr. Perkins who also teaches English at C.H.S. His voice echoed the play by play action taking place on the field during the home games. A camera on top of the game booth also captured

the action to later retake the player into their game for review.

This year's orange and white team were just that with their new uniforms used to bring out the Eagle pride during the game. The uniforms could be switched around to a mix-match 4 ways.

THE EXCITEMENT CONTINUES AS

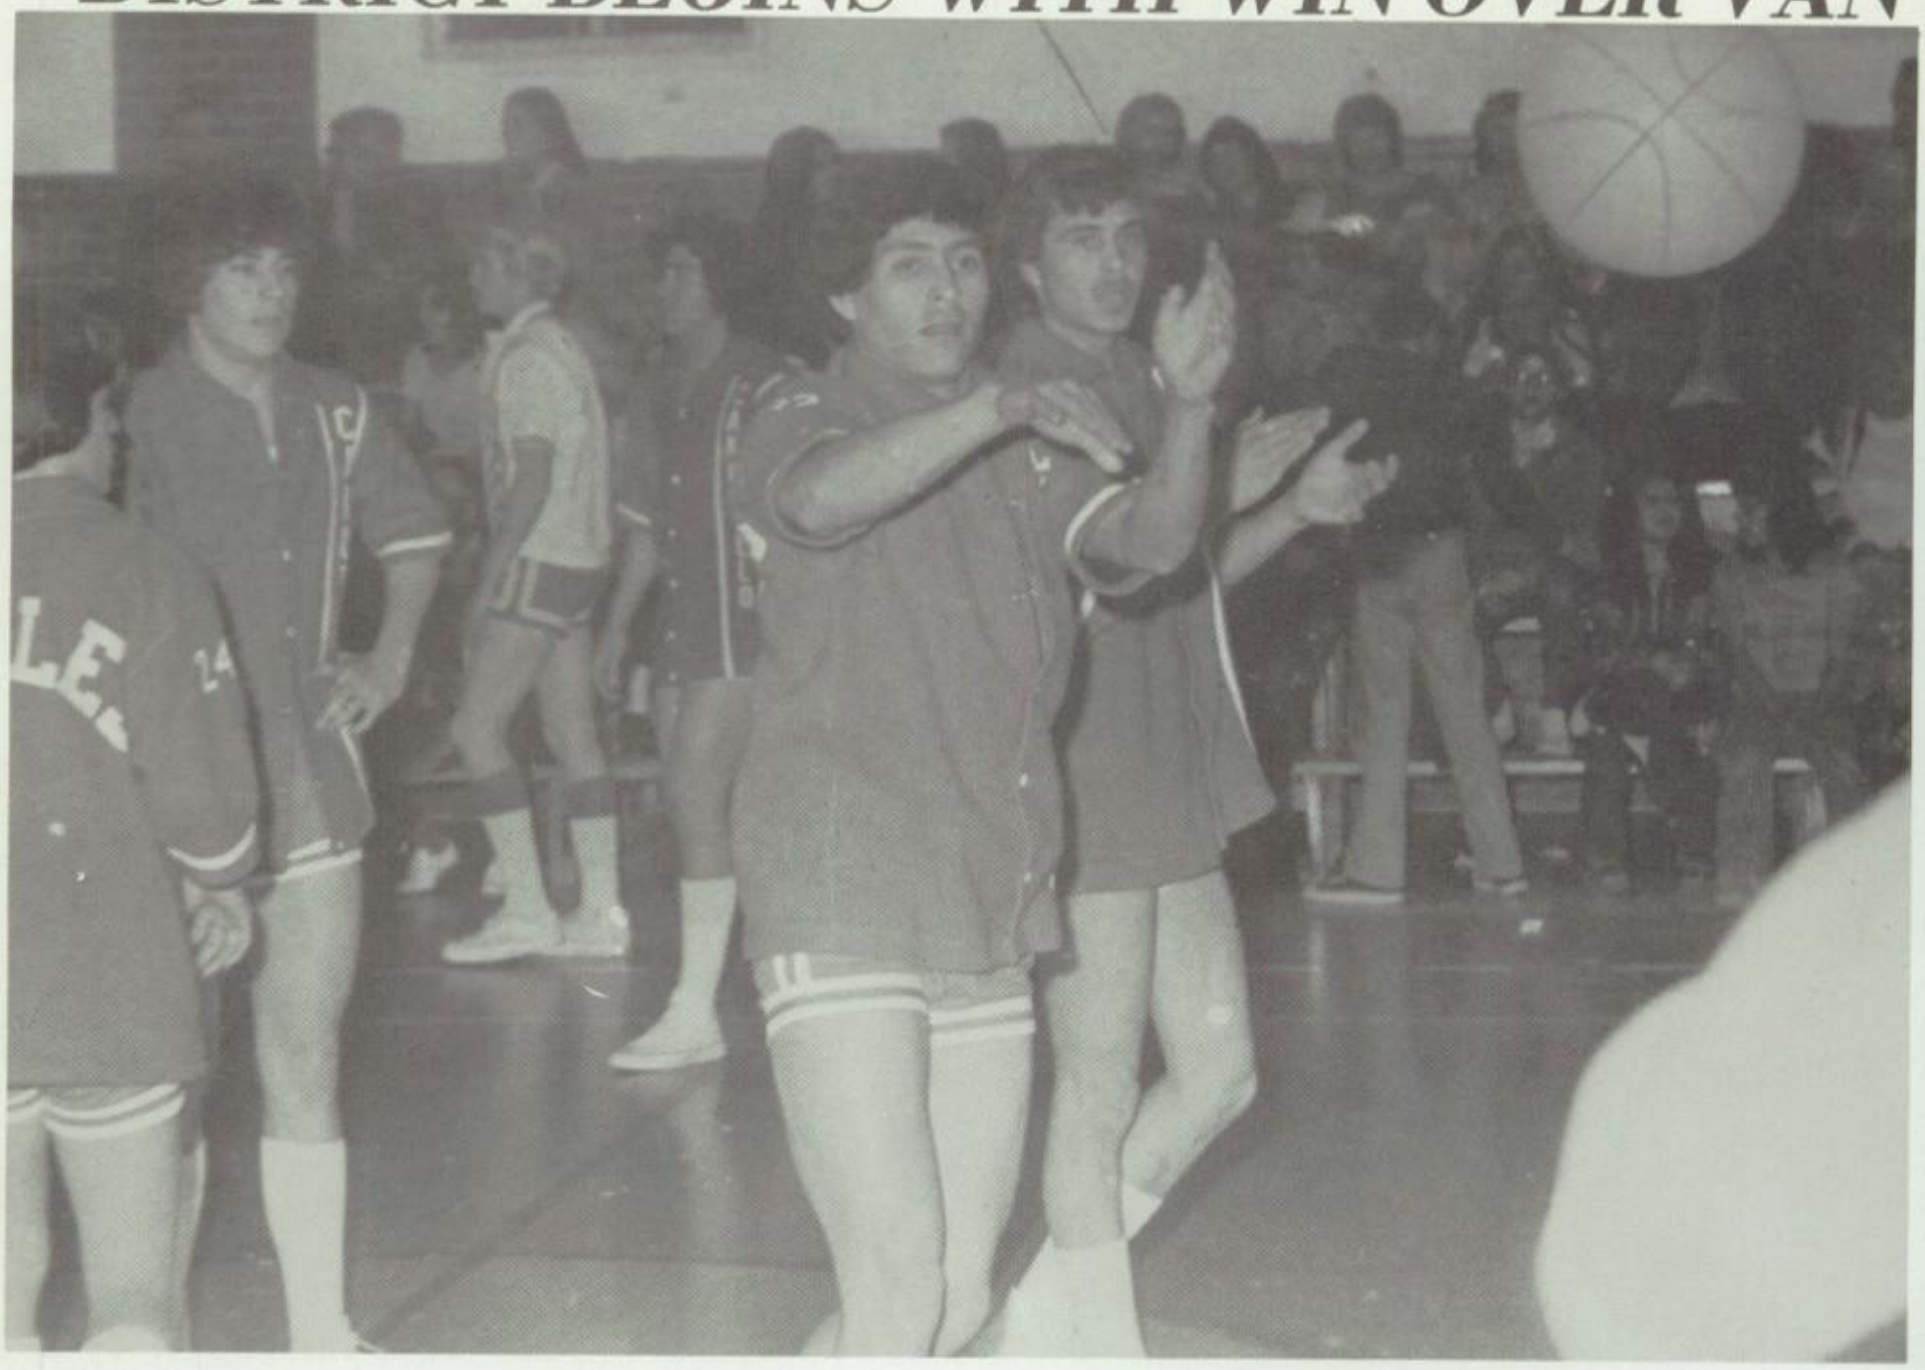
The Bicentennial Edition of the Canutillo Eagles varsity basketball team played an excellent series of basketball games. Canutillo's dribbling squad played its first game against the Riverside Rangers B-Team on November 26, 1975, and with one week's practice came out on the loose end by losing with a score of 50-46. After this game the Eagles recovered by victoring their next game. All in all the Eagles got off to a slow start and with plenty of mistakes. Out of 20 non-district games Canutillo lost 9 and won 11.

EAGLE DRIBBLERS PUSH FOR WINS

Eagle tournaments included Alpine's and Ruidoso's which resulted in second place and consolation in order. The Eagles were a little disappointed with themselves and with district competition right around the corner, were determined to get ready for district both mentally and physically.

District action got underway for the Eagles on January 9, 1976 against the imposter Van Horn Eagles. The starting five for Canutillo involved Vicente Gomez, Elco Ramos, Benito Lopez, Gilbert Alcala and Henry Montoya. First half of play results showed the orange with 10 offensive rebounds, 7 steals and 4 tied balls.

DISTRICT BEGINS WITH WIN OVER VAN

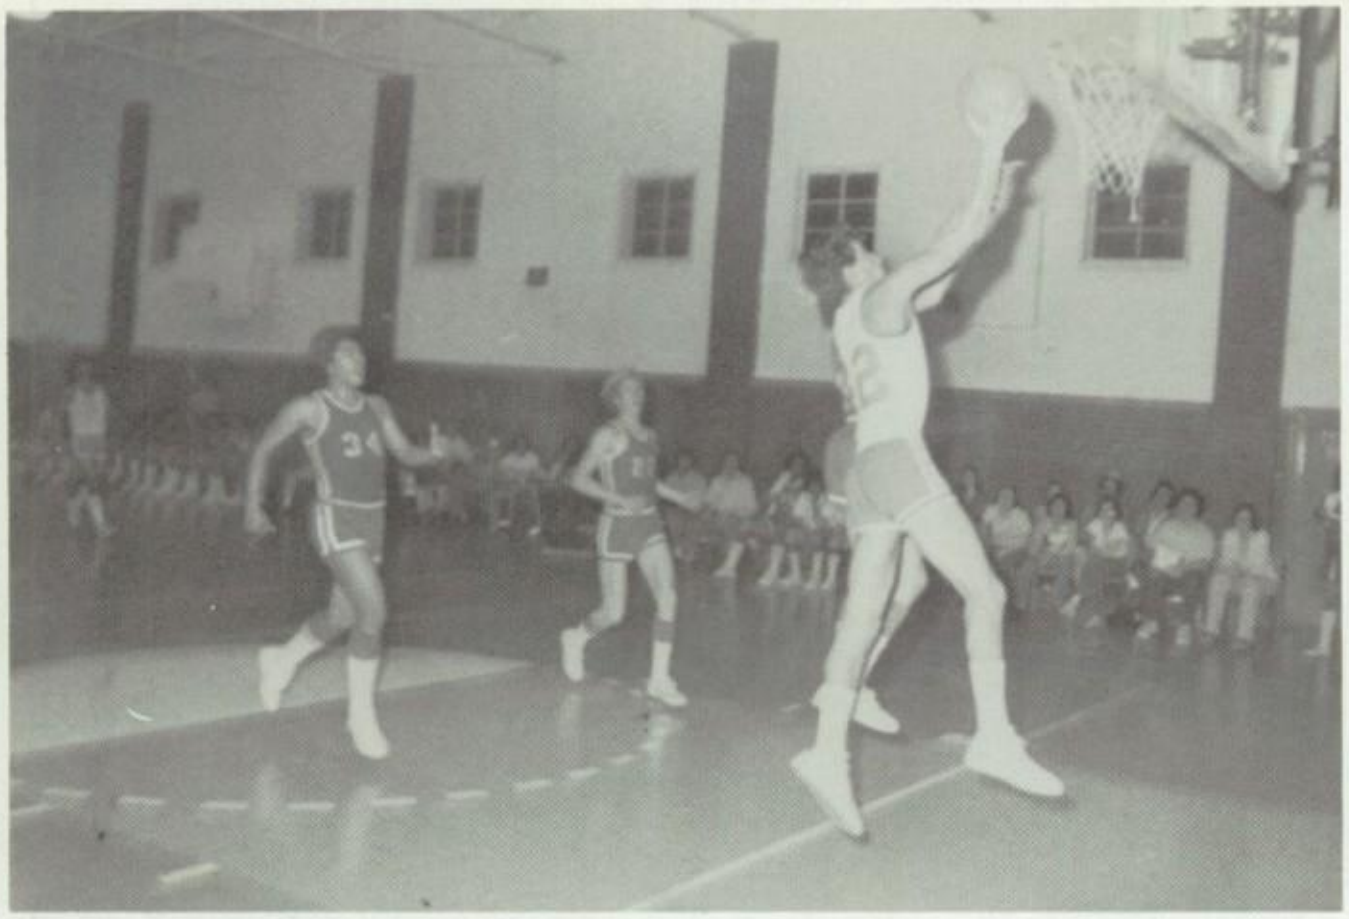


Out of 38 field goals tried, only 11 were made for 30%. The score stood at 25-22 at the half. The second half saw the Eagles' rebound ofensively 4 times, defensively 9 rebounds, 4 steals and 7 tied balls. Out of 26 field goal attempts, 13 were made for 50%. Total turnovers for the game amounted to 15.

HORN AND IT ALL BOILS DOWN TO SOCORRO

The free throws came out even at 50%, with 16 fouls. The score at the end of district game #1 lit with the numbers 60-53, Canutillo on top. The game was filled with spirit by the players due to some extent of Coach Brooks birthday. The leading Eagle scorer for the game was Henry "Mouse" Montoya with 16 points.

EAGLES BEAT DOGS IN "THE" GAME BUT ALPINE



The stats of the first game can be used to bring out a picture of the remainder of district competition. Henry Montoya kept up his high scoring efforts while Gilbert Alcala helped in rebounding and also in steals. Elco Ramos did a fantastic job under the boards in both defense and offense, Vicente Gomez continued to rebound and

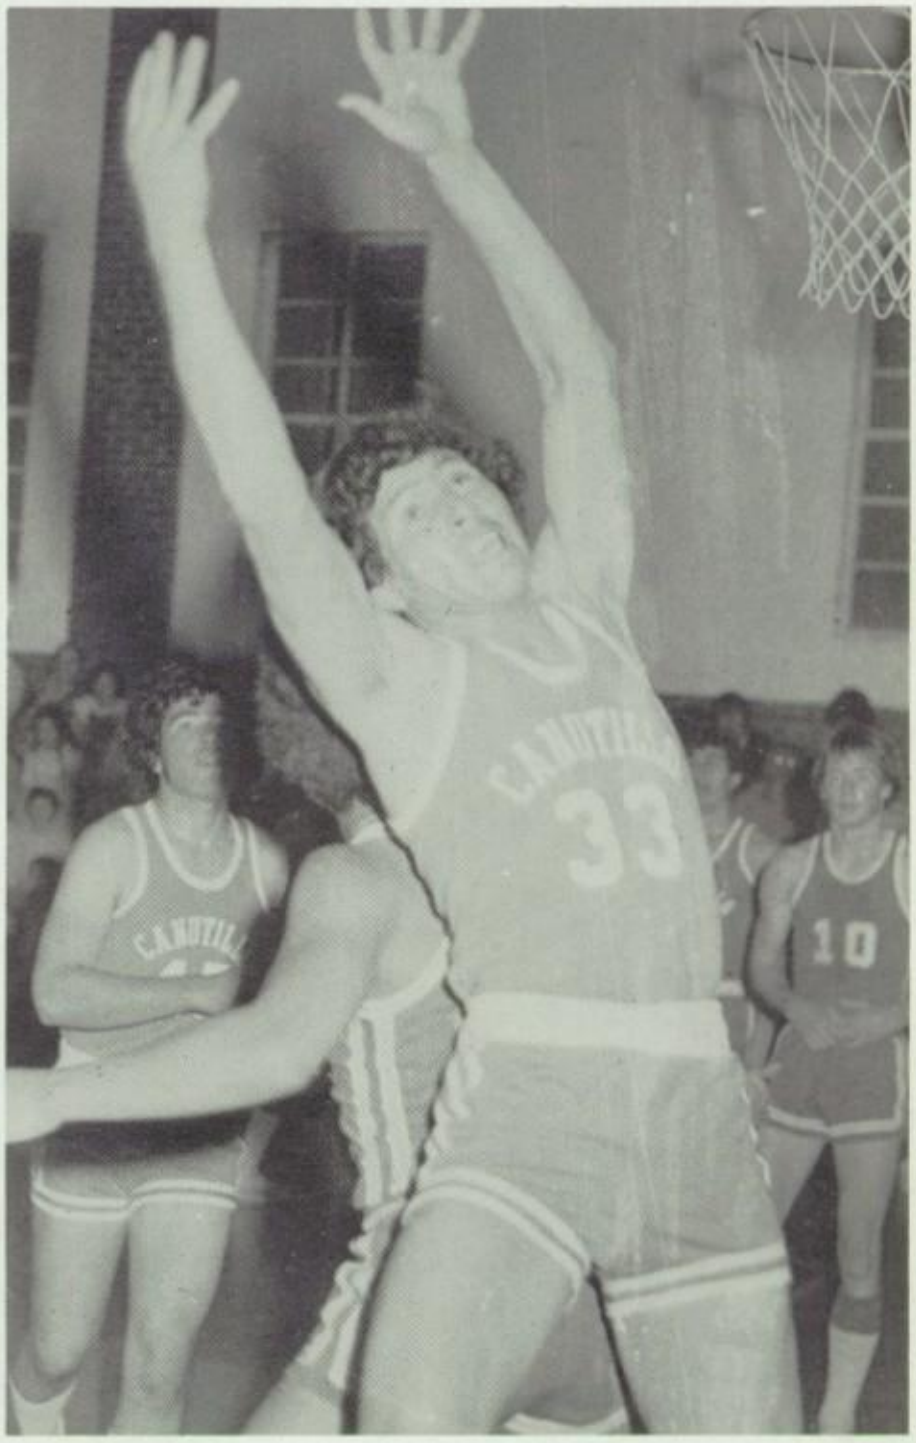
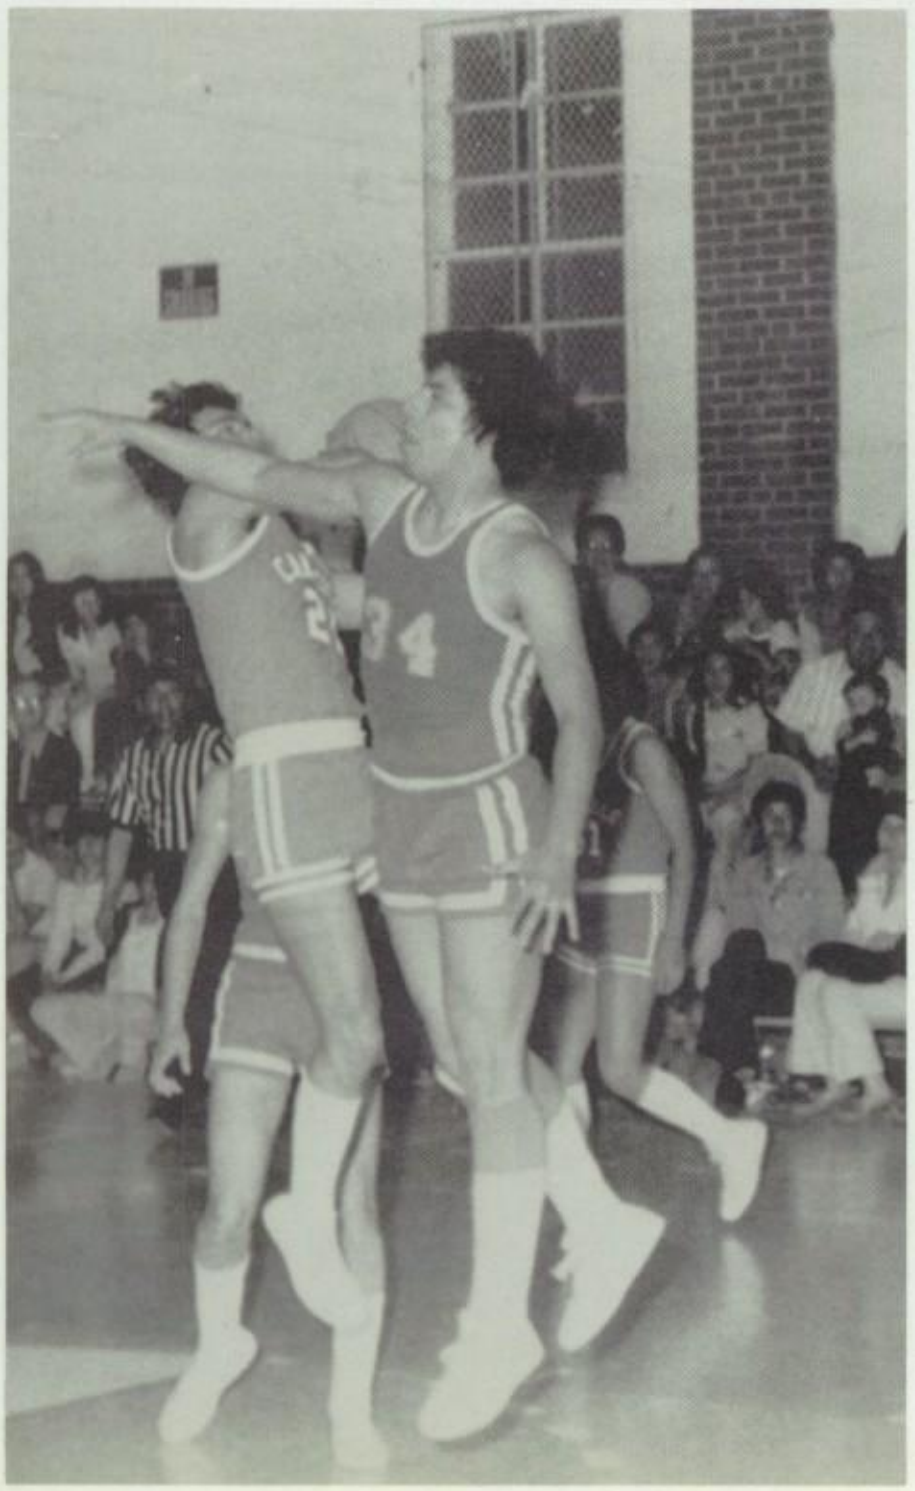
score. Benito Lopez did a little bit of everything which added to the team's success. Another element involved in the success of the dribbling squad were the backup players made up of Luis Alvarez, Ricardo Damian, Juan Paderes, Francisco Uribe, Manny Hernandez, Carlos Carrasco, Gilbert Gonzalez, and Gilbert Lopez. These players were ready when needed and did their best.





Their efforts both mentally and physically led them to second place in district. The team and coach thought that their efforts were well rewarded and were not too disappointed in this year's season. Coach Brooks felt that these young men went far with their desire to play.

The team would like to thank all those involved in their support of both spirit and interest.

The 75-76 thinclad squad ran, threw and jumped their way into eight meets this season. Eagle competition came from District schools and some El Paso competition. District proved tough as Coach Ray Gomez's spikers could only qualify three Eagles for regional competition. Carlos Duarte came in second in the mile, Vicente Gomez captured first in the discus, and Manny Hernandez took second in the pole vault - all at the District meet in Van Horn.

The Eagle Baseball season got off to an excellent start, by outslugging the Fabens Wildcats by a score of 12 to 9 in Fabens Den on April 6, 1976. The first game of the season proved tough which would be the outlook of Canutillo baseball. Game #2 saw the Eagles traveling to another den, that of the Gadsden Panthers, but due to game pressures, the Eagles lost by a score of 13 to 9 on April 13, 1976. Canutillo lost the remaining four games against Fabens and Socorro putting them low for the competition in district 2-A.

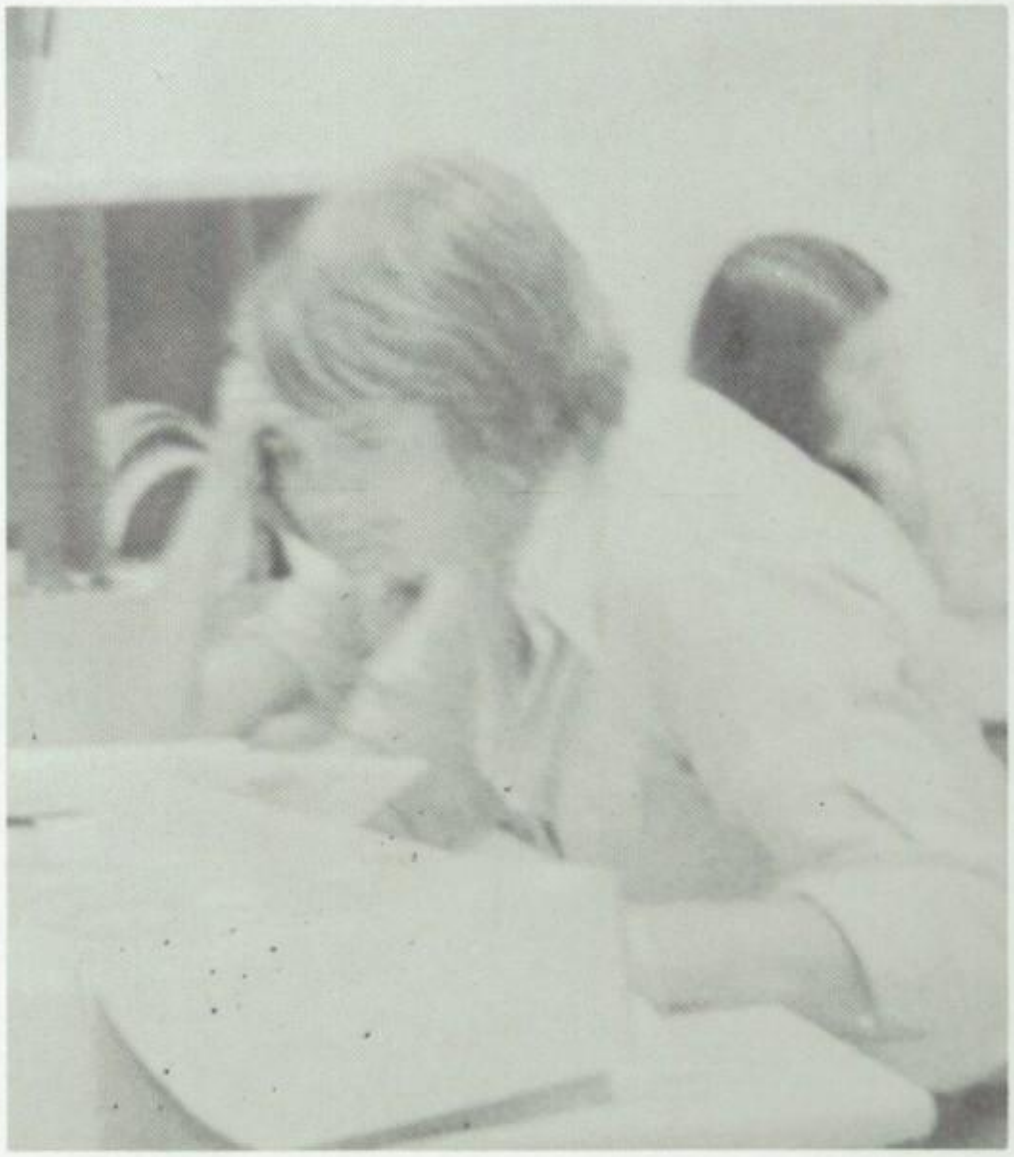
PUT ALL THESE PEOPLE TOGETHER AND WHAT DO YOU

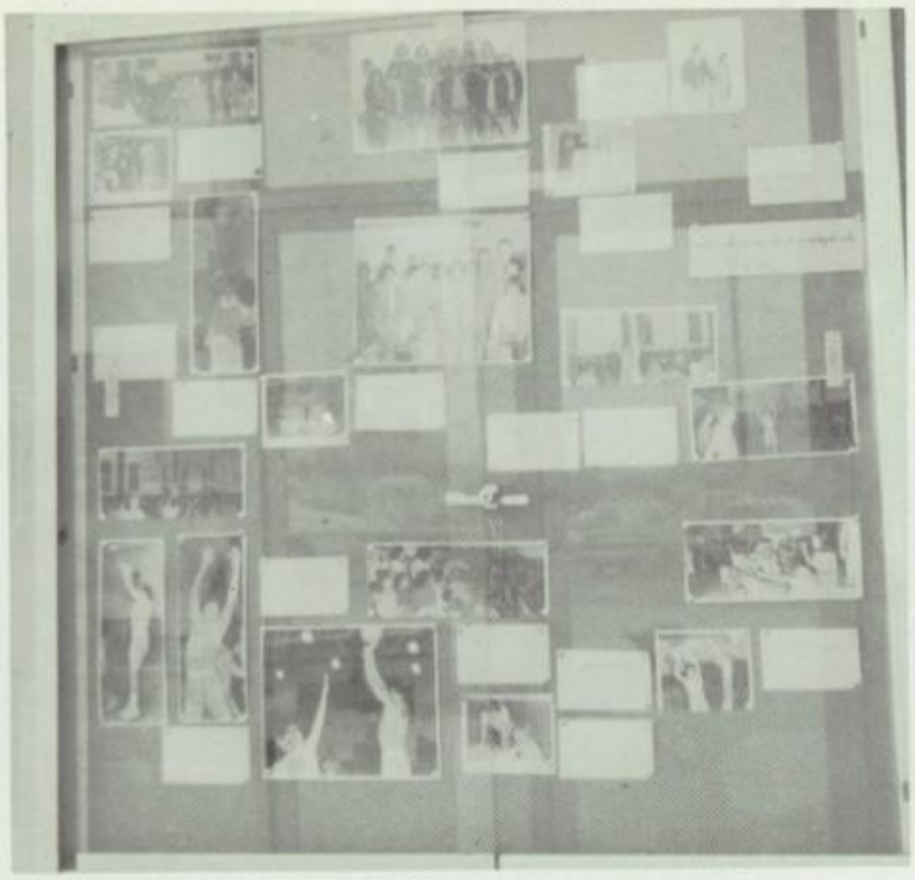
Whether it is filling the coke machine, arranging the showcase, getting out the paper or publicizing the school . . .

The 1975-76 Journalism class played it's part in boosting C.H.S. and school publications. Beginning with Laura Robinson's outstanding Herald-Post articles and ending with the official school scrapbook compiled by Luis Alvarez, Journalism students all contributed their bit to continuing Eagle tradition.

Senior Beatriz Guzman headed up this year's Eagle's Call staff. She was ably assisted by senior - Mara Reynoso who in her quiet way, made sure that story deadlines were kept. The "Call," which is professionally printed, hit the stands with ten issues this year and was mailed to numerous alumni and community members. Editor Beatriz is pictured above first row center. Assistant Mara sits to Beatriz's right.



GET? THE "CONQUISTADOR" AND "EAGLES CALL"



John Hall, Luis Castillo, Raymond Hudson, Ralph Martinez and David Terrell set up C.H.S.'s first darkroom and in a short time pictures were taken, developed and printed all at the home of the Eagles.

Jill Tobin and Shawn Mowery, both juniors, made sure the front display case, top left, was always chock full of spirit-promoting photos and sayings.

Senior sales team, Arturo Rivera and Rocky Ortega combed the valley soliciting advertising for the newspaper and the "Conquistador." They also combed the halls during classes, but we won't talk about that.

All in all, a good year was had by all. Comedy writers Ronny Gallegos and Bertha Zavala may not agree, but they did manage a few grins after the accident.

THE STRAIGHTEST LINES CANUTA FANS HAVE EVER SEEN

Bicentennial show highlights the half-time

The '76 Orange Cavalcade strutted into the hearts of Eagle fans this year by carrying the Canutillo banner in three parades and numerous half-time events.

This year's New Year's Sun Carnival Parade met the marching musicmen with an icy blast of winter air that nearly froze Canuta tail feathers off. In early spring, the marching orange journeyed up the road to Anthony to add color to the town's Bicentennial bash.

The Eagle Band closed out the year by joining in the "Fiesta Flambeau" celebration in San Antonio.

CANUTILLO'S N.J.R.O.T.C. HAS A BALL,

A BOOT IN SAN DIEGO, AND A MARCHING MANIA

It's the drill teams, the color guard, and the officers that make it all come together in the navy . . .

Senior Company Commander, Vicente Gomez presided over the largest N.J.R.O.T.C. contingent yet to hit the campus, in this our nations Bicentennial year.

Late in March the girls' drill squad, headed by Terry Gomez, pictured below, marched with style into the El Paso County Coliseum to compete in the U.T.E.P. Drill Meet. The girls had the distinction of being the only navy team to compete. Earlier in the year, the boy drillers, below, brought the crowd to it's feet at the Bowie meet. Jesus Duarte, junior, barked this year and led the drillers through their precise moves.

Nav. Sci. I classes and first year cadets bussed to San Diego in March and went through a Navy boot course. The gas chamber probably left the most lasting impression of Canuta's swabbies.

F.H.A. / HERO MEANS GETTING READY FOR HOME AND BUSINESS

Red Jackets make themselves busy . . .

F.H.A. president, Sandra Lugo 10th took charge of an active group of future homemakers with a schedule full of work, activities, and fun. Along with earning enough scratch for their yearly Odessa confab, the red-jacketed homemakers stuffed enough Kleenex in their Anthony parade float to never want to see a red, white and blue tissue again. To the right, in the front row are officers Rose Eddy, Gloria Vigil, Maggie Apodaca, Ester Barraza and pres. Sandra Lugo. Mrs. Weems, club sponsor, stands second row left. The girl H.E.R.O.'s pictured below were led this year by Lupe Estrada, soph. The faculty will not long forget the additions this group of girls contributed to their Friday menus, not to mention their waistlines . . .

LEAGUE NATIONAL HONOR SOCIETY GETS GOING AGAIN

Thirty two honored Seniors and Juniors made up this year's chapter of the National Honor Society. The honorees were selected for academic achievement and leadership qualities by the faculty. At their end-of-year induction ceremonies, sixteen sophomores were tapped to join this select group. At left, president Carlos Duarte, sen., joins officers Sylvia Hernandez, Gilbert Lopez, and Rose Fierro for a group grin.

EAGLE COUNCILMEN RAP WITH OTHER REPS.

Council President, Junior Carlos Carrasco, led Eagle councilmen Tim Ortiz, Leanne Peterman, and Rosalia Madrid to the State Capital after Christmas to participate in a leadership workshop attend by all Texas High School councils. While there, they carried the "Canuta" word to other councils around the State.

The 1975-76 Student Council registered success in the sponsoring of their two most vital activities, Homecoming and the Spring Fiesta Dance and Court.

The Organization of these two events required many hours of hard work and devotion from the Eagle Council members. Working in the Organization of the Homecoming dance and Court were Rosalia Madrid, Katy Zarate, and Carlos Carrasco. Ester Barraza, Monica Aguilar, Ramon Alvarez, and Tim Ortiz put time in the at the Assembly and woodpile.

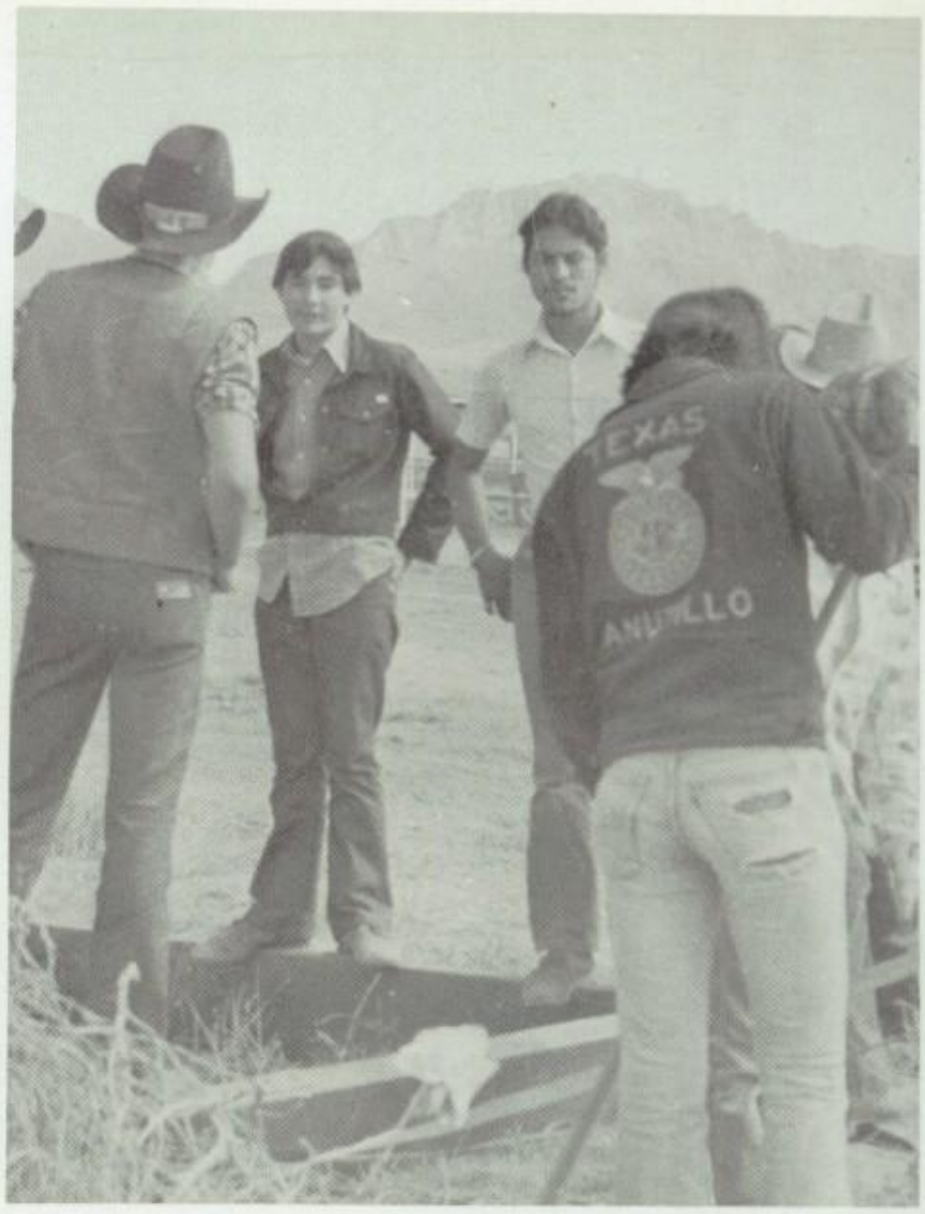
An all girls cast closed out a successful speech and drama year with their rendering of the play, "The Welcoming." Besides learning to act like bigoted housewives, cast members Christi Hambrick, Dolores Reyes, Cathy Robinson, Teresa Moore, Patty Brewster, Sylvia Mejia and Dolores Retana gained valuable experience in acting. Gary Grayson did a fine job as prop man, battery acid and all.

Throughout the year, speech participants competed in six major tournaments. The novice team did an especially commendable job at the Austin Tourney. Pictured far left, Soph. Ray Thompson shows why the British lost the Revolutionary War. If they would have had L'Eggs maybe things would have been different.

HICKS DO IT ALL . . .



From chewing tobacco to growing weeds the F.F.A. works it out . . .

The Canutillo F.F.A. chapter was faced with breaking new ground in more ways that one. Besides clearing the land around the new Ag. Building, Ag. students built up the inside of the Ag. shop and added partitions for the classrooms. In addition, they installed an irrigation system to get that water to their oats.

The F.F.A.ers attend three stockshows a year, The El Paso County, Las Cruces and Southwestern. Here they exhibit their animal projects and hopefully bring home a ribbon and some heavy change.

This summer, Canuta's Ag. officers will attend the State Convention in Ft. Worth.

WITH RAQUET AND CLUB, THEY MURDER THE BALL

Swingers and netters do their bit with the spring U.I.L. in mind

The Eagle Golf and Tennis teams bring spring sports to a conclusion each year by giving their all in the U.I.L. competition wrap-up.

Above, Eagle golfers cluster around coach Licona. He's the one with the beard. Orange duffers can be seen each spring afternoon at Anthony's Dos Lagos course, moving the dirt around the hard way.

Pictured left, Eagle Tennis titans give us their grins as coach Vasquez leans in and bears it. Tennis matches this year included tilts with rivals Fabens, Van Horn, and Socorro. Southwestern spring winds taught the orange tennis team how to hit those long curve shots into gale force blows.

FOR THE VARSITY CHEER SQUAD, IT WAS A YEAR OF

Cheer chicks carry orange spirit to every Eagle contest

The '75 Varsity Cheerleaders started getting it to gether by attending cheerleading camp at Loretto Academy, where they learned some "Camp of Champs" novelty cheers. These new cheers echoed throughout the year as our seven cheer-chicks carried the Eagle spirit to every Canuta contest.

Head cheerleader, Jackie Tinkle led the squad during football season and did most of the acrobatic tricks. Who will ever forget her fabulous freckled flip-flops?

Taking over head chores during Basketball season, Junior Debi Gothard brought her three years of yell experience to Eagle fans. For their 1st year, Seniors Lynn McDaniel and Diana Alderete burst their vocal chords this year and whipped fellow classmen up for the class yells. Blonde Junior, Rosalia Madrid moved up from alternate spot to become a regular of the squad because of her dedication and hard work.

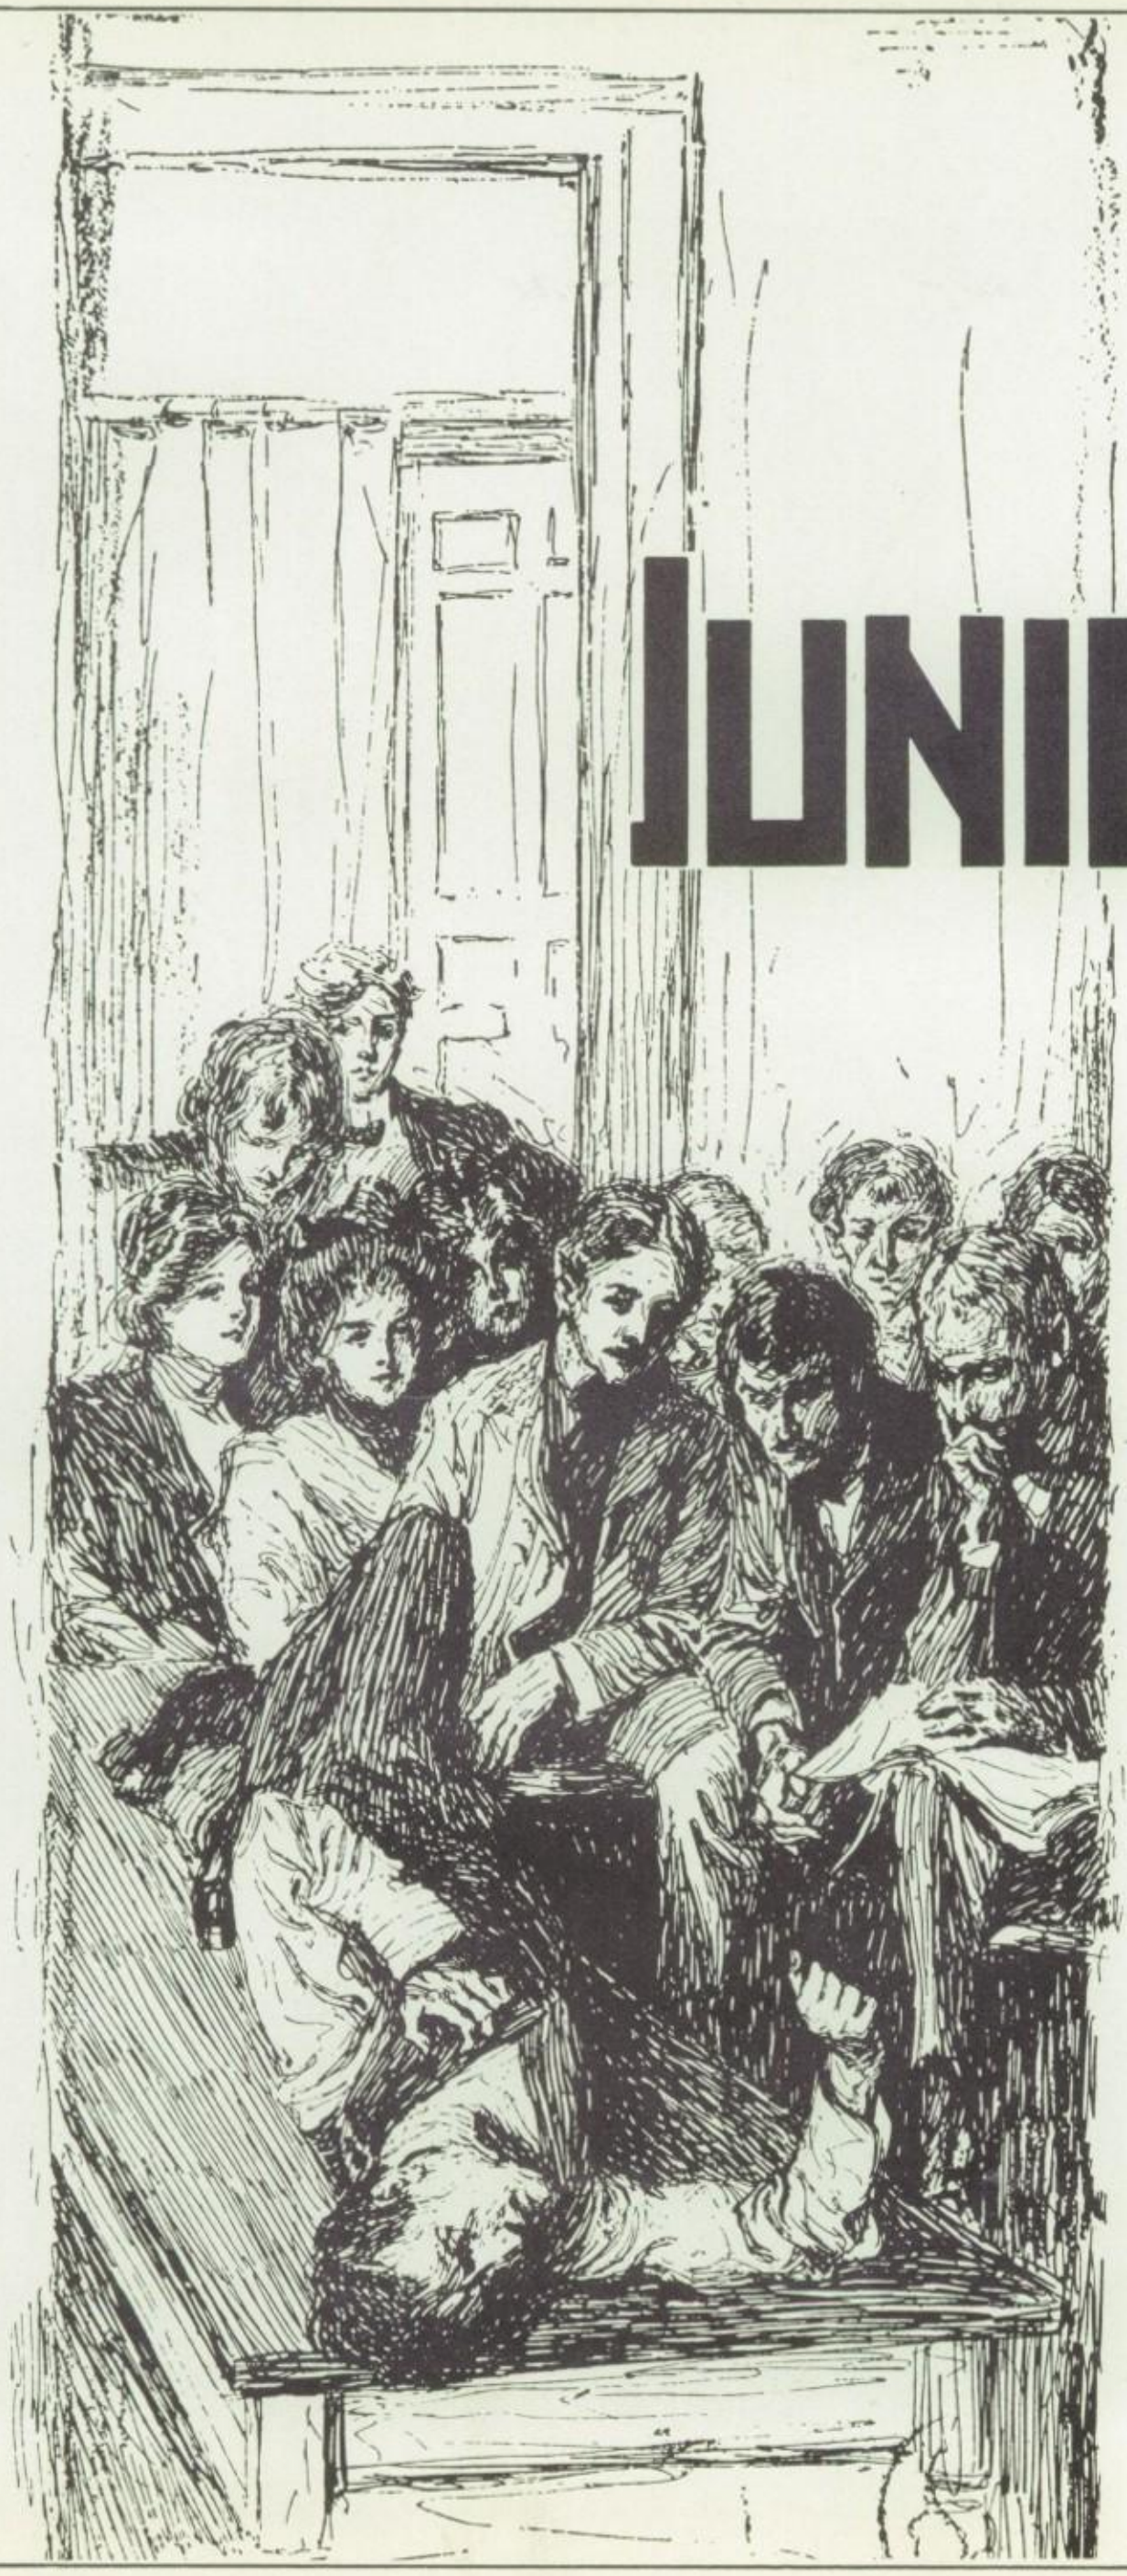
PEP RALLIES, CROWD PLEASING AND HOARSE THROATS

The lockers on game days never looked better thanks to the efforts of Rosalia and Sylvia Hidalgo. Sylvia, a Junior, acted as spirit starter at the Pep Assemblies by getting into the crowd and boosting enthusiasm. Transfer student, Betsy Bickley, became an Eagle in good fashion by getting on the orange maching and giving it her all. Now, if she could only keep her contacts in her eyes and not on the Gym floor. Saranda Cooksey, senior, donned the Eagle outfit for each game and tried not to look like a buzzard. It gave Eagle fans a good feeling throughout the year to see the school mascot up front cheering on the teams.

B-TEAM BABES PREP FOR BIG TIME

Being a B-Team cheerleader means a lot of hard work with little or no recognition. When they got a chance to do a cheer they let the Canuta spirit come through. Pictured above are Eagle spirit boosters Zonia Ontiveros and Lily Padilla on top. In the middle, are Tammy Gutierrez, Isabel Reyes, and Celia Ortiz from left to right. In front is Renee Alderete. Below, Mr. Heavens explains at the pep assembly what true Eagle spirit is. OK, now, Mr. Heavens - just explain it, don't spell it!

JUNIORS



ASK ANY JUNIOR WHAT'S HAPPENING — HE'LL PROBABLY SAY

Have you heard the one about . . .

It was a memorable year for Laurie Hernandez and Sylvia Hidalgo, especially when they took that unplanned field trip into the boys' restroom. Junior, Tim Ortiz, kept the school with a smile on its face every morning with his rise and shine announcement jokes. Jokes? Junior journalism student Ralph Martinez, spent a lot of time in the darkroom this year. Dont ask him what he was doing. Class leader Carlos Carrasco kept the pot boiling in the Junior political scene. Now don't lose those petitions.

Duarte, Perez, Hernandez, Fierro lead juniors to bake sales, prom, concession stand and a zero bank account . . .

Black haired dark-eyed Laurie Hernandez led this year's Juniors to a whole array of money raising activities with the end of year Prom in mind at the Hilton Inn. Concession stand workers Ronnie Gallegos, Hector Lopez, Josefina Ontiveros and Leanne Peterman will long remember this year's stint in the hot box - getting those cokes and dipping out those pickles.
